

Rigging and Installation Safety - eLearning Badge

This badge certifies that **Francesco Genduso** has successfully completed the training.

Time spent 1 hour 32 minutes 05 seconds , conducted from 10/28/26 to 10/28/26.

In this training, the learner will explore L-Acoustics rigging and installation safety, covering product applications, stakeholder responsibilities, best practices, and a step-by-step checklist for system readiness and inspection from planning to final on-site review.

It does not constitute professional certification nor replace applicable regulations, manufacturer documentation, or the expertise of qualified professionals. Responsibility for design, installation, and safe operation remains with the user.

Delivered by education@l-acoustics.com https://l-acoustics-education.360learning.com/redirect/api/certification/8143827481421627

It is only valid for a period of 36 month(s) from the delivery date.

Reference Number: 8143827481421627
